

SHY75液压破碎锤

产品卖点

- ①优化结构-设计更轻便，使用油耗低；
- ②整机经过性能和耐久验证，可靠性高；
- ③优质的产品部件-部件质量严格管控，质量有保证；
- ④品质服务-代理服务部门遍布全国省市。

Feature

- ① Optimize structure - design for lighter weight and lower fuel consumption;
- ② The entire machine has undergone performance and durability verification, with high reliability;
- ③ High quality product components - strict control of component quality with guaranteed quality;
- ④ Quality Service - The agency service department is located in provinces and cities across the country.

直型一体锤 静音锤

| 型号 | model | Unit | SHY75 |
|------|------------------------|-------|---------|
| 整机重量 | Overall Weight | Kg | 368 |
| 工作压力 | Working Pressure | bar | 120-150 |
| 工作流量 | Work Flow | L/min | 50-90 |
| 打击功 | Strike Merit | J | 1017 |
| 打击频率 | Beat Frequency | bpm | 400-800 |
| 胶管直径 | Rubber Hose Diameter | inch | 1/2 |
| 钎杆直径 | Drill Rod Diameter | mm | 75 |
| 配用车型 | Matching Vehicle Model | / | SY75 |
| 主阀类型 | Main Valve Type | 内/外置 | 内置阀 |
