

# SHY140液压破碎锤

## 产品卖点

- ①高效率：同档位下，较上一代产品效率↑5%；
- ②可靠性高：严苛的产品验证+优质的供应链+外置蓄能器；整机通过500H极限测试；
- ③高性价比：长寿命内外套+高性价比钎杆+高性价比密封包，总运维成本更低。

直型一体锤 静音锤

## Feature

- ① High efficiency: Compared with competing products, the efficiency of the same gear increases by 5%;
- ② High reliability: rigorous product verification + high-quality supply chain + external accumulator; the entire machine passes the 500H limit test;
- ③ Cost-effective: long-life inner and outer casings + cost-effective drill rods + cost-effective sealing bags, with the lowest total operation and maintenance costs;
