

# SHY220液压破碎锤

## 产品卖点

- ①相比上一代产品油耗降低10%，一年为客户节省燃油费5.6万（年平均工作时长2000h）；
- ②SY650HB+SHY220破碎锤，实现强打击力，低油耗，助力主机市占率进一步提升。

## Feature

- ① Compared to competitors of the same level, it reduces fuel consumption by 10% and saves customers 56000 yuan in fuel costs per year (with an average annual working time of 2000 hours);
- ② The SY650HB+SHY220 crushing hammer achieves the industry's maximum impact and lowest fuel consumption, helping to further increase the market share of the main engine.

型号	model	Unit	SHY220
整机重量	Overall Weight	Kg	8000
工作压力	Working Pressure	bar	290-310
工作流量	Work Flow	L/min	370-390
打击功	Strike Merit	J	35000
打击频率	Beat Frequency	bpm	100-140
胶管直径	Rubber Hose Diameter	inch	1 1/2
钎杆直径	Drill Rod Diameter	mm	220
配用车型	Matching Vehicle Model	/	SY650-750
主阀类型	Main Valve Type	内/外置	外置阀
